

TAS New Year Newsletter 2026

Looking forward to seeing lots of members and visitors on Thursday, January 8th, to get the New Year off to a good start with a morning of figure sketching (clothed model). Remember to bring your materials.

We gave 2025 a great send off with festive food, mulled wine (non-alcoholic of course, since everyone was driving) and a seasonal still-life. A friendly vote afterwards decided who should win the art shop gift token prize. (Ian Fox, sorry I don't have a photo.) Why don't we all bring our pictures to the January meeting to have a second look at them in the tea break?

If you missed the December meeting, here are some of the objects you can paint at home – plenty of chiaroscuro and complementary colours, transparent glass and reflective surfaces (including gold), heavily textured objects, solid 3D shapes and delicate lines, draped and smooth fabric, autumnal or Christmassy – the choice is yours. The committee thought of everything! Why not show off your version at the January meeting? (No prizes!)
